

Mongolia River Outfitters  
"The Guides for Ghenghis Khan's Home Waters"  
[www.mongoliarivers.com](http://www.mongoliarivers.com)

We are offering five expeditions in 2013: Three upper river adventures and two lower adventures. Each departure is limited to eight (8) anglers. The trips all begin and end in Mongolia's capital city of Ulaanbaatar.

Please send us an email or call anytime to book a trip or discuss the details.

*Hope to see you on the river!!!*

\* Please note: price subject to change prior to time of booking.

## Expedition Details

**Inclusions:** The price includes two nights hotel in ULN, airport transfers, transfer to/from the river (e.g., Cessna Caravan), licenses, camp meals, drinks, wine, beer, vodka, guides, etc. Meals/drinks in ULN are not included.

**Fishing Season:** We run trips late August until mid-October. Mongolia's fishing season officially opens June 15 and the rainy season is July - August. By late August the rivers are clearing and the fishing is peaking. By the end of October, Mongolia is starting to get too cold for fishing.

**Weather and Packing:** Several months before your trip, MRO will provide you with a comprehensive packing list. MRO supplies flies. Guests bring their own rods, reels, waders, etc. It's about the same as preparing for an early trip to Montana. The weather is usually clear with warm days and cool nights. Rain is more likely early season and cold more likely later in the season. It is not uncommon to experience a couple of cold days (40'sF/5'sC) in early September and very warm days in early October (70'sF/20'sC).

**Booking:** MRO is quite fortunate to have a very high level of client returns and the trips usually book well in advance. A non-refundable deposit of 50% is required to hold a place. Final payment is due by June. Payments by check, wire transfer, or credit card.

**Visa:** US citizens do not currently require a visa prior to arrival in Mongolia. Please contact us regarding other nationalities.

**Flights:** The airport code for Ulaanbaatar, Mongolia is ULN. MIAT, Air China, and Korean Air are the primary international carriers serving ULN. Most guests fly to ULN via Beijing or Seoul. Guests arriving from Europe may fly to ULN via Moscow or Berlin.

**Upper and Lower River Combination Trips:** Several guests are now choosing to combine upper and lower river trips. Linking the two adventures is quite easy. Most guests start on the upper river trip and just continue right through with the lower. These anglers enjoy thirteen amazing fishing days exploring approximately 200 kilometers (120 miles) of river. This is the ultimate Mongolia fishing experience. An upper/lower combination trip costs US\$9,500.
